1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor report

(Except for the matters reported below)* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met. Laxton and Moorhouse Parish Council

External Auditor Report for the year ended 31 March 2017

Matters reported

Period of public rights

The Authority must provide for the exercise of public rights as set out in Sections 26 and 27 of the Local Audit and Accountability Act 2014 and the Accounts and Audit Regulations 2015. The Regulations require the Authority to approve and publish the Annual Governance Statement and the Accounting Statement alongside a Notice of commencement and a Declaration of status of accounts to allow it to commence the period for the exercise of public rights so that it includes the first ten working days of July.

In 2016 the Authority published its notice indicating the period commenced on 1 June 2016 and ended on 12 July 2016. This did not include the first 10 working days of July 2016 so the Authority is unable to demonstrate that it made proper provision for the exercise of public rights in 2015/2016. In our view, the response to Assertion 4 on the Annual Governance Statement should be 'No'.

In future, the Authority must ensure that the Annual Return is approved and published to allow for the proper provision for the exercise of public rights in accordance with the Regulations and proper practices.

Other matters not affecting our opinion which we wish to draw to the attention of the authority

Restatement of 2016 opening balance

In our report on the 2016 Accounting statements, we commented that the opening balance as at 1 April 2015 in Box 1 was incorrectly stated and should be amended to £6,762 in the 2017 Annual return. This balance has been restated incorrectly resulting in the 2016 column on the 2017 Annual return not casting correctly by £3,090. Box 1 in the 2016 column should be £6,762.
